The Institute

The institute is established in 2019 by Woman Vocational Training cell of Directorate General of Employment & Training under Ministry of Skill Development & Entrepreneurship to provide wide range of equitable opportunities on Vocational Training for women, so as to bring them in to the main stream of the nation's economic activities. This institute is equipped with building, and wide range of latest equipment for imparting training activities, furniture, tools and other infrastructure. This exclusive institute for women facilitates long regular term training programmes and short term training programmes in various disciplines. Long term courses are conducted in two levels such as basic level (CTS) and advanced (CITS) level. Similar kind of training institutes are also functioning at various location in India. One extension center at Leh, Ladakh and Srinagar, Jammu & Kashmir also established recently.
